

*Ed il cielo
è sempre
più blu*

The main character hangs her washing out in the public square, and with her portable washing machine, creates confusion in the dry lives of the audience.

The show embraces new and innovative forms of street show, where object manipulation, juggling and clowning are used as a bases of the narrative language.

The spectators are actively involved throughout the show.

Team

Creator and performer: Francesca Martello

external eye: Marcella Manzilli

Sound Design: Xavier Mera
